- Justice - to pursue justice for others that is anti-racist, inclusive, equitable, and comes alongside local initiatives.
- Holiness - to learn, be discipled, and live well together.
- Unity - to be listeners, loving others, and valuing their stories as our own.

## Our Ministry Areas

- Local - Working with local agencies and organizations to serve our neighbors in Madison County
- National - Working with national ministries and partners to serve our neighbors across the United States.
- Global - Working with the Church of God national leaders and missionaries within the global network of leadership, to serve our neighbors in partnering ministries around the world.

<sup>1</sup>When we say “anti-imperial,” we mean in opposition to colonialism and any other systems or social structures that seek to benefit from the subjugation and oppression of any group of people.
